Local fishing, FADs recovered, record presentations made, Electronic gear theft. Big Social night in July. Links to Newsletters. New FLIP Version of Hook-Up available.

COMING EVENTS

July Social Night

Tuesday 2nd July

[CLICK HERE](#)

Local Fishing

There's still life in the metro fishery after autumn has passed, Adam Durell had a good day around Parker Point at Rottnest with Spanish and shark mackerel catches.

Meanwhile Andre deVries in his newly acquired Caribbean 35 got plenty of fishing before the recent storms set in. Daughter Kim, pictured below with a fine amberjack is an accomplished junior having won the Junior Trophy at the Shimano WA Open. Mum Maryka, with a tasty southern bluefin, has a little way to go to catch up, if the images below tell the story.

What a great way to spend family time.

Keep an eye out for Andre, his new boat and family. The boat's aptly name Cabana and lives at Hillarys between fishing trips and visits to Rottnest.

World Record Certificate Presentation

At the June Social Night two world records for Dylan Picken were recognised. Both great captures deserving of recognition.

The award on the left is for a World and Australian length Record Australian Salmon of 76cm and on the right a World Record 19.42kg samsonfish captured on 6kg.

Well done Picko!

There are also quite a few NSW DPI recapture certificates to be presented at the next social night.

FADs

The late arrival of mahi mahi and cooler than normal water has seen a disappointing season for fishing the FADs. The recovery of the remaining FADs was effected on 21st May. A working bee towards the beginning of July will be organised to do a clean-up.

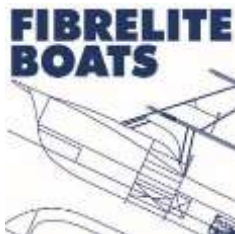

A presentation on the FADs is planned for the July Social Night, this is a must for all members interested in the background of the Rottnest FADs, the gear and most importantly the future of the program. RSVPs are sought.

FADs both recovered from Rottnest Trench - note the variability in fouling with barnacles

A FAD working bee will be organised in the next month to get all components back up to scratch. It won't be a big job.

FAD Sponsors for the 2019 Season were:

FURUNO

Club Championship Scores

PGFC ANNUAL CLUB CHAMPIONSHIP SCORES 2019

EDDY MOSS TROPHY – CHAMPION ANGLER

JULY 2ND SOCIAL NIGHT

TOPIC

ROTTNEST FAD PROGRAM

Past – Present – Future

PGFC has been deploying FADs out at the Rottne Trench for more than 30 years. This talk is to update all members and other stakeholders of what has been achieved, particularly with the “modern recoverable FAD program”.

It will be of particular interest to newer members who may not have seen the background work that goes into the project.

All members and guests are welcome. From 5:45 pm.

An informative presentation on the subject of the current FAD program, now 21 years old, will be given by Peter Coote who has been involved in it since its inception.

Items covered will be:

- The distant history
- Why and how they work
- Development over the years
- Breakaways and recovery
- Headwinds
- Funding
- The future

For catering purposes we need to know the numbers. Please respond to rsvp@pgfc.com.au to reserve your place. SMS or phone Peter Coote on 0419 266843

2019 Calendar

Dates		Activity	Location

	Sat 12 th	4s' Competition	Rottneest Island
November	Saturday 2nd	Annual Presentation Dinner	FSC Fremantle
	Tuesday 12th	Annual General Meeting	RPYC Fremantle

Stolen Gear

Shane Anderson's Cabo "Vanquish" was broken into last weekend by some thieves who knew what they were looking for and how to get it.

Stolen were a Furuno FCV-1150 Sounder - S/N 2256-5563 and a Furuno TGT215 Plotter - S/N 1000-3110-2829

Reports have been submitted to the relevant authorities. Shane doesn't hold much hope of having the gear returned but this note might help someone avoid stolen equipment.

Other Notes

Hook-Up format

Looking ahead, Hook-Up will be published in both pdf and flip book format. This has been brought about by GFAA's purchase of the software to convert long pdf documents such as the GFAA Newsletter (Next edition mid-July) which at over 30 pages long is unwieldy and much more easily read as a flip book. Comments welcome.

Membership

We are entering the bonus membership period where between 1st July and 30th September membership is free. Sign up during the free period and you get up to 15 months – to 30th September 3030 for the price of one year's membership.

All Species Competition

There has been a lot of interest, particularly from Juniors in the All Species Comp this year, there are many categories that are vacant, so get cracking with some fun fishing and enter the comp.

Annual All Species Competition

Progress Scores to 5th June 2019	Male	Length	Female	Length	Smallfry Junior	Length	Sponsor
Baldchin Groper	Ash Hicks	53cm					
Breaksea Cod	Dylan Picken	50cm			Lochlan Turrell	39cm	
Dhufish	Dylan Picken	97cm
